Opening Remarks

The Prime Minister opened the discussion by thanking colleagues for their continued work, s.39
s.39

Operational and Threat Update

s.39

s.39 There is no notable update on Windsor, Emerson or Coutts which remain status quo and under control. Protesters arrived at North Portal, Saskatchewan and were successfully negotiated to relocate to an alternate site on private land for a peaceful protest. The port remains open and traffic is flowing freely. RCMP officers are also at the Manitoba/Ontario border ready to take action to intercept a supply convoy that is expected to arrive there.

On Ottawa, the Commissioner of the RCMP reported that the first phase (Stabilization) is nearly complete, with the necessary resources being in place including towing and street blocking capacity. Protesters have been warned to leave the area under threat of arrest if they do not do so. The area has been blocked off, with interdiction zones covering the area from Somerset to the river and King Edward to Booth street. A presser occurred at 330pm and the public will be further notified this evening to stay out of the area. 14 Public Order units are ready to start clearing the area as of tomorrow. s.39

s.39
s.39 Support of Child Protective Services has been secured to ensure any children on site are protected and cared for. There are some indications of additional convoys headed to Ottawa, with the OPP having stopped one convoy last night and having relocated it to Embrun. s.39

s.39
s.39 She also confirmed that she has delegated some powers to other RCMP and OPP officers to be able to compel or commandeer equipment such as tow trucks, confirming that RCMP will cover costs associated with this. RCMP will cash manage these pressures in the short term.

On Financial measures, the RCMP Commissioner reported that 29 entities have thus far been reported to financial institutions for potential consideration of freezing assets.

The Prime Minister asked the Commissioner of the RCMP how many individuals made up each of the 14 public order units, to which the Commissioner responded that on average it is 15 to 75 individuals, but can go up to 100.

The Minister of Public Safety reported that the Mayor of Windsor received a threat at his personal residence today, s.39

Progress on Additional Actions

The Minister of Transport outlined continued engagement with infrastructure operators and indicated that he spoke with the Governors of Montana and North Dakota recently and expressed the Government’s commitment to ensuring blockades with the Alberta and Manitoba borders do not happen again.

s.39
[Redacted]

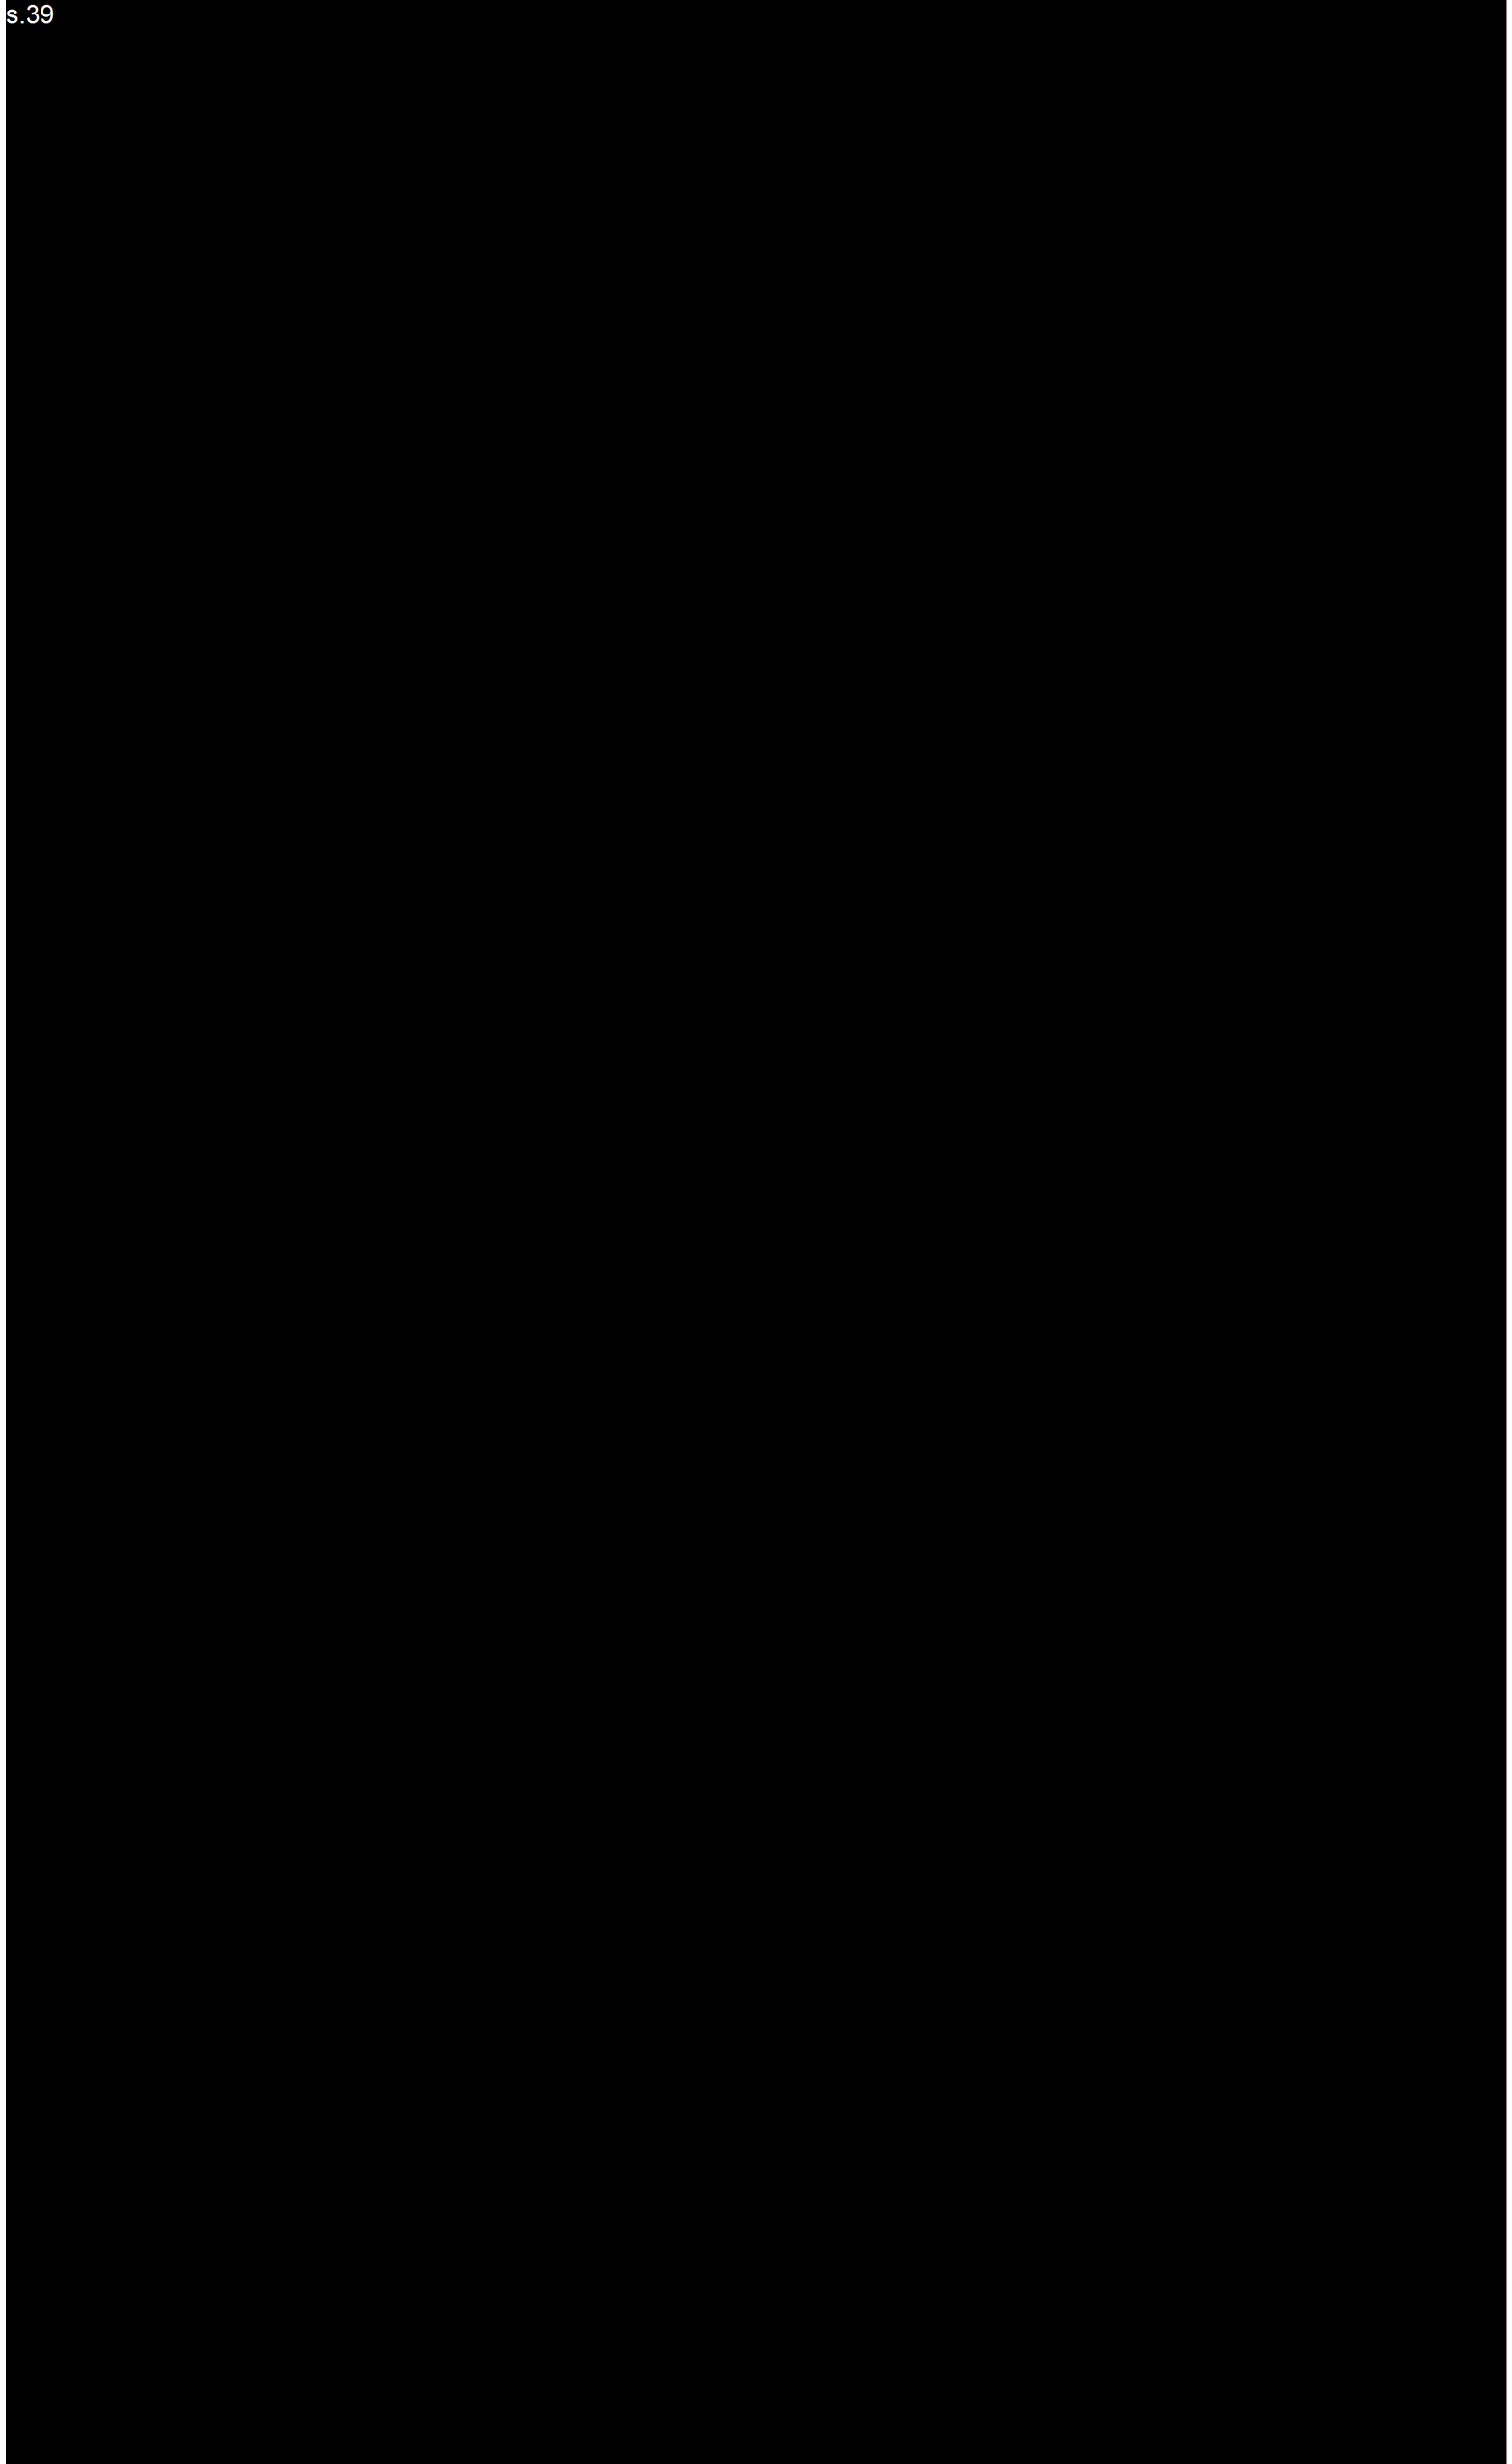

The Minister of Intergovernmental Affairs, Infrastructure and Communities confirmed that he will continue to work with the Privy Council Office over the weekend as the situation evolves and will continue to engage his provincial and territorial counterparts, noting that there are rumours in Fredericton of possible activity over the weekend, although the Premier believes that local law enforcement has the situation under control.

The Interim Clerk of the Privy Council s.39
s.39 [Redacted]

The President of Canada Border Service Agency reported on an arrest on February 17 in Ottawa following an investigation into an individual who resides in Windsor and had travelled to Ottawa. The arrest was without incident. He also reported that border officers have not encountered any new individuals trying to cross the Canada-US border for the purpose of participating in the protest.

The Deputy Minister of Justice reported that they are beginning to see constitutional challenges to the *Emergencies Act* declaration, including from the Civil Liberties Association and the Centre for Justice and Constitutional Freedoms.

The Deputy Minister of Public Safety reported that work continues with the Ontario Provincial Police and the Ontario Government to ensure that individuals trying to come to Ottawa to aid the convoy are intercepted but noted that there remains a possibility that additional supporters will try to come to Ottawa in the coming days. The exclusion zone that has been set up is expected to help mitigate this. He also reported engagement with provincial/territorial and police of jurisdiction across the country to ensure awareness of the *Emergencies Act* powers that are available to them.

For more information, see the key messages below. Key messages: - For three weeks now, blockades have been illegally disrupting the life of Canadians, harming our economy, and endangering public safety. - It became clear that there are serious challenges to local law enforcements’ ability to effectively enforce the law. - We invoked the Emergencies Act to supplement Provincial and Territorial authorities to address the blockades and occupation to keep Canadians safe, protect people’s jobs, and restore confidence in our institutions.

		• The Act will strengthen and support the work by the police. We are not using the emergencies Act in order to deploy the military. We will not be suspending fundamental rights as articulated in the charter of rights and freedoms, nor are we limiting the right to peacefully protest or assemble. • The police have now been given more tools to restore order in places where public assemblies can constitute illegal and dangerous activities, such as blockades and occupations as seen in Ottawa, Ambassador Bridge and elsewhere. These tools include strengthening their ability to impose fines or imprisonment. The government will designate secure-and-protect places and infrastructure that are critical to our economy and people's jobs, including border crossings and airports. • We have seen recent successes of our law enforcement agencies with the situations now resolved in Windsor, at the Ambassador Bridge, at Coutts Alberta Port of Entry, and also at the Emerson, Manitoba border crossing, however Ottawa remains illegally occupied and other cities across Canada are seeing similar protests. • For those of you thinking of joining these illegal protests, we strongly suggest that you reconsider. We are calling on everyone to not jeopardize public peace or endanger yourselves or others by participating in purposefully illegal activities. There will be consequences for all criminal behavior related to the ongoing situations in Ottawa and across the country.
